

Another Country

C&G F C G G7

When I was a child I used to wander

F C G C F

In a world of magic all my own

Where the C beasts had funny names G

And their shapes were wild and strange

And all of them would answer when I spoke. C G C G G7

Am Asus4 Am F
And in the darkness I would go there

Dm Dsus2 Am Esus4

As I lay in my bed alone.

Dm Dsus2
I'd close my eyes and see

Am Asus4 Am
The place I longed to be

Dm Dsus2 Am G G7

And gladly stay until the dawn.

C F C G

I'd travel to another country

F C G C G G7

Oh, what a lovely place to be.

Where the C creatures all were tame, G

And the C echo knew my name, F

G F C G C
When in my dreams it called to me.

Am G G7 C

But I forgot, when I grew older,

About the country in my mind;

The beasts with funny names

And moonlit circle games

With childhood toys were left behind;

G7 But sometimes starlight would remind me

Of places where I used to go,

And every now and then

When talking with a friend

I'd ask if they'd been there also...

Do you recall another country?

I used to think that it could be;

Where the creatures all were tame,

And the echo knew my name,

When in my dreams it called to me.

But now I've recently discovered

The way back to places I recall

The creatures I knew then

Are with me once again

And there is magic after all;

And I may sing to you by starlight,

Or trace a shadow on your screen,

Or take you by the hand

Across a moonlit land

To places only I have seen...

So come with me to another country

Oh, what a lovely place to be.

Where the creatures all are tame,

And the echo knows your name,

When you come share the dream with

me.

This started out trying to be a song about Cyberia, the country inside computers and networks, but it sort of got away from me. It still fits but it got bigger, somehow. Songs are like that.
