<sup>D</sup> Drivin' home to Alabama I got <sup>A</sup> turned around in Texas  
<sup>D</sup> Saw a fellow at the corner with his <sup>A</sup> thumb out for a ride  
<sup>D</sup> When I stopped for directions I could <sup>D5</sup> see he was a <sup>A</sup> rabbit  
<sup>D</sup> But he opened up the door and he <sup>G</sup> hopped <sup>A</sup> inside <sup>D</sup>

both

<sup>D</sup> I shoulda taken that <sup>A</sup> left turn at Albuquerque  
<sup>D</sup> Went the wrong <sup>G</sup> way at the <sup>D</sup> fork in the <sup>A</sup> road <sup>D</sup>  
<sup>D5</sup> Been a long, long day and it's <sup>A</sup> gotten kinda quirky  
<sup>D</sup> But I'm back in 'Bama and I'm <sup>G</sup> getting <sup>A</sup> towed <sup>D</sup>

<sup>D</sup> When I stopped to drop the rabbit off <sup>A</sup> east of Amarillo  
<sup>D</sup> I didn't think that anything could be <sup>A</sup> more absurd  
<sup>D5</sup> But this coyote jumped aboard and he <sup>A</sup> waved a stick of dynamite  
<sup>D</sup> Pointed down the road and said <sup>G</sup> N: "Follow that <sup>A</sup> bird!" <sup>D</sup>

Well, the dynamite went up and blew us all the way to Witchita

Coyote hit the highway saying N: "Thanks for the ride,"

On the seat he left a packet of Acme tornado seeds

That grew into a twister with the truck inside

I shoulda taken that left turn at Albuquerque

Went the wrong way at the fork in the road

Been a long, long day and it's gotten kinda quirky

But I'm back in 'Bama and I'm getting towed

The tornado set me down a couple miles south of Mobile

With a broom through the windshield, upside-down in a ditch

And when I rolled the window down to see where I had landed

I was starin' at the slippers of an angry witch

I shoulda taken that left turn at Albuquerque

Went the wrong way at the fork in the road

Been a long, long day and it's gotten kinda quirky

But I'm back in 'Bama and I'm getting towed

I'm back in 'Bama but I'm now... a... toad.
